

PFAS COMPLIANCE DECLARATION

QMS-F-033

Statement Date: 20-AUG-24

Products Covered: All

Vybronic is committed to compliance with existing and future regulations regarding the use of per- and polyfluoroalkyl substances (PFAS). We have confirmed that our products do not intentionally contain perfluorooctanoic acid (PFOA), perfluorooctanesulfonic acid (PFOS), or their salts and structural isomers.

While we do not routinely test finished products for PFAS, we are prepared to conduct such testing upon request or in response to specific regulatory requirements.
